

LISA E. HAKE, MD

ABPN Board-Certified Psychiatrist | Fellowship-trained in Integrative Psychiatry

Bend, Oregon • 540-449-3366 • lisaehake@gmail.com

YoureNotAlonePsychiatry.com

SUMMARY

Board-certified psychiatrist specializing in geriatric psychiatry with extensive leadership experience as a Medical Director, and expertise in managing high-acuity psychiatric presentations with significant medical comorbidity across inpatient, residential, and outpatient settings. Founder of a private telepsychiatry practice providing integrative psychiatric care to adults and older adults across Oregon, including diagnostic evaluation, medication management, and psychotherapy with an emphasis on whole-person wellness. Recognized for an emotionally intelligent, collaborative clinical style, and for bridging evidence-based psychiatry with integrative and personality-informed approaches to advance high-quality mental health care through interdisciplinary practice and innovation.

EXPERIENCE

You're Not Alone
Psychiatry, Bend, Oregon
2025 - Present

Founder & Outpatient Psychiatrist (Telepsychiatry)

PRESENTATIONS & INVITED LECTURES

Invited Webinar,
Northwest Addiction
Technology Transfer
Center (ATTC), Region 10
Aug 2025

Tailoring Motivational Interviewing to Core Personality Patterns in Dual Diagnosis Treatment

- Delivered as part of a federally funded Region 10 training series (WA, OR, AK, ID), opened by Dr. William R. Miller
- Introduced the emerging framework of Personality-Informed Motivational Interviewing (PI-MI), a method for tailoring Motivational Interviewing strategies to individual personality patterns, with application to dual diagnosis treatment

Motivational Interviewing
Training Center (MITC)
2025 - Present

Personality-Informed Motivational Interviewing (PI- MI)

- Ongoing invited lecture series with development of a formal clinical handbook and case-based teaching materials

RESEARCH, INNOVATION, & THOUGHT LEADERSHIP

Personality-Informed Motivational Interviewing (PI-MI)

2025 - Present

Founder and Thought Leader

- Originated and integrated a clinical framework synthesizing Motivational Interviewing with personality structure, developmental psychology, and motivational theory to tailor change strategies in complex and dual-diagnosis populations
- Applied the model in invited trainings, consultation, and interdisciplinary clinical settings, with ongoing development into a formal clinical handbook and case-based teaching materials
- Engaged in ongoing collaboration and dialogue with Motivational Interviewing educators to refine clinical applications and align with MI fidelity frameworks (MITI)

Selected Platforms & Applied Work

- You're Not Alone Psychiatry – private telepsychiatry practice providing integrative psychiatric care; primary clinical setting for application, refinement, and clinical testing of PI-MI
- You're the Oracle – executive coaching and consulting practice applying personality-informed and symbolic inquiry frameworks to self-development, decision-making, and meaning-making

Selected Books & Manuscripts in Progress

- Personality-Informed Motivational Interviewing: Tailoring Conversations for Change
- A Developmental Quadrant Model of Personality: Integrating Trait Theory, Motivation, and Symbolic Psychology
- The Enneagram as a Developmental Personality Model: A Clinical Reinterpretation
- A Motivational Interviewing-Informed Approach to Intuitive Consultation
- Personality-Informed Somatic Reprogramming

PUBLICATIONS

- Hake, L.E., et al., "Method and Apparatus for Eye Tracking for Convergence and Strabismus Measurement," US Patent #5,491,492, February 1996.
- Additional articles in genetics and ophthalmology published in peer-reviewed journals.
